Our Philosophy

Here at Bloom & Play Learning Center LLC, we strived to provide knowledge to all parents, children and staff! We believe that all children learn differently and that we as providers can apply our blooming knowledge to all children. Blooming knowledge includes but does not limit creativity and play! We strive to provide a stimulating experience. This allows for the children to bloom as they should!

Days & Hours of Operation

We operate from the days and hours of:

- Monday through Friday 7:30am- 5:30pm (No child is permitted to stay in daycare here from open to the close of business. There is an 8-9 hour maximum)
- No arrivals after 10am (example 10:00am on the nose). This is to help our day run smoothly and keep the children on schedule. If your child has a doctor's appointment, please try to schedule it early in the morning.
- **No child will be admitted after 10am without a doctor's note.**

******If a child was administered shots during the doctor's visit, the child may not return to daycare until the following day, due to complications from the shot and fever-like symptoms. This is associated with the medicine that often causes the child to be irritable and uncomfortable.******

Our Programs/Curriculum

We currently accept the following ages:

- 4 months-2 year olds (Infants)
- 2 year olds (Toddlers)
- 3-5 year olds (Preschool)

We currently use the FunShine Express curriculum.

*Please contact us regarding space, as there is a limit.

Calendar

Check the website & Brightwheel for updated dates and the calendar!

*The closing dates and times posted are subject to change.

**Bloom & Play Learning Center LLC will use the Brightwheel app to notify parents and staff about any delayed openings, cancellations and early weather or emergency dismissals immediately. Parents are expected to make immediate provisions to have their child(ren) picked up. There is no fee reduction for any closings. Parents are responsible for paying the regular tuition for all scheduled closings and unscheduled/emergency closings.

Parent Teacher Conferences

All parent-teacher conferences will be scheduled accordingly/ in advance via BrightWheel or in-person. They are hosted once per year (formally) and several times informally during the year.

These conferences will include the progress of the child along with any questions or concerns the parent/guardian may have.

Grievance Policy

In any community, and in the routine and regular process of daily living, there are inevitable situations or conflicts that are potentially negative for individuals or for the community. It is critical that long before conflict arises, an environment already exists that fosters mutual respect, tolerance, and clear, honest communication. The emotional health of a daycare is determined not by the absence of conflict, but by its quick and intelligent resolution. Bloom & Play Learning Center LLC is committed to responding to all family grievances within a 24-hour period and to resolving those grievances as quickly as possible. Concerns and grievances are most effectively addressed within the daycare. If a specific classroom concern arises, you should discuss the issue with the appropriate teacher. We encourage you to discuss more general daycare concerns with management, who will involve staff members as needed.

Positive Guidance

Here at Bloom & Play Learning Center LLC, we encourage self-esteem, self-control, and self-direction, which include at least the following:

1. Individualize and remain consistent with each child;
2. Appropriate to the child's level of understanding; and
3. Teaching the child acceptable behavior and self-control.
4. Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior;

5. Reminding a child of behavior expectations daily by using clear, positive statements;
6. Redirecting behavior using positive statements; and providing positive choices
7. Using brief supervised separation from the group/communication tools, when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age. There will be NO harsh, cruel, or unusual treatment of any child.

The following types of discipline and guidance are prohibited by law and Bloom & Play Learning Center LLC:

1. Corporal punishment or threats of corporal punishment;
2. The punishment associated with food, naps, or toilet training;
3. Pinching, shaking or biting a child;
4. Hitting a child with a hand or instrument;
5. Putting anything in or on a child's mouth;
6. Humiliating, ridiculing, rejecting, or yelling at a child;
7. Subjecting a child to harsh, abusive, or profane language;
8. Placing a child in a locked or darkroom, bathroom, or closet with the door closed or open; and
9. Requiring a child to remain silent or inactive for inappropriately long periods for the child's age.

Health/Medical Records/Child Illness

- Staff members undergo a thorough screening and hiring process, including a state-required background check. Staff members who are certified in first aid, CPR, and bloodborne pathogens (infection control) are present in the center at all times. Comprehensive health and safety checklists are completed and routine fire and emergency drills are conducted on a regular basis. In addition, the daycare has an individual emergency response plan in place which has been developed with all Fire and Safety protocols included. If an emergency requires the daycare to evacuate and leave the premises,

families can call the owner to receive information about the safety and location of their children.

- In order to protect the health of all children and to satisfy child care regulations, current medical information for each child is required prior to enrollment. These records need to be updated annually, or as required by state licensing if more often, and when new immunizations are given to younger children.
- If your child appears to be ill when brought to the center and he or she cannot be made comfortable, you will be asked to take your child home. If we feel that your child is well enough to attend the center but may be becoming ill, we will monitor your child and update you as necessary.
- When Bloom & Play Learning Center LLC, is notified that a child enrolled in our daycare or an employee has a (suspected) reportable disease, it is our legal responsibility to notify the local Board of Health or Department of Public Health. Authorities may require further information, testing, or preventive measures. Bloom & Play Learning Center LLC will give serious consideration to all recommendations made by the public health agencies in order to promote the health and safety of staff members and the children and families we serve. We believe it is extremely important to notify families about exposure so their children can receive preventive treatment if available.

In the event you bring your child to daycare while they are unwell, it may result in their temporary exclusion from the facility for a period of 24 to 48 hours, or until their symptoms have completely subsided.**

Special Needs/ Medications

Our program has a commitment to the inclusion of all children. It is important that communication is ongoing and responsive to the needs of all families. We want to assure you that confidentiality is respected and upheld of all children and families in our care. In order to meet the individual needs of the child we ask that you communicate and special needs your child may have. We will always strive to maintain a barrier free physical environment to enhance the educational experience of all children in our program. If a need were to arise we would gladly help to connect you to any comprehensive services.

The MSDE Office of Child Care's regulation permits childcare providers to give prescription and non-prescription medication to children in care under certain conditions. Prior written permission from the child's parent is a requirement. MSDE asks if possible, to arrange the dosage so that the child can receive the medication from home. A Medication Authorization Form must be filled out. This form can be picked up at the daycare. Please note the MSDE regulations below are for prescription and non-prescription medications.

- Prescription medications must be in a container labeled by the pharmacy or physician with the child's name and expiration date. The child may receive medication only according to the written instructions of the health practitioner or the medication label.

owner. Written permission will need to be obtained if information is shared with anyone outside of Bloom & Play Learning Center LLC.

Field Trips

Bloom & Play Learning Center will provide the children with enhanced monthly themes with opportunities for outside experiences. Field trips are scheduled and permission slips will need to be signed by the parent/guardian. Parents are always welcomed-and encouraged-to participate on trips!

When a field trip is the scheduled activity of the day, all teachers/staff are required to participate on the field trip. For safety reasons, care will not be available at the daycare for a child who does not attend the field trip. You may choose not to participate on a field trip, and may have to make alternate arrangements for your child during that time.

Field Trip costs such as bus transportation, entrance fees, etc. are the responsibility of the parents. Information regarding cost, transportation arrangements, date, location and activity will be sent home to parents on the permission slip form. This form must be completed, and all fees paid prior to the day of the field trip in order for your child to participate. Tuition will NOT be discounted if you choose for your child to not participate on a field trip.

****Car seats must be provided for any child four years of age or younger****

At this time, parents that would like for their child to attend field trips must provide their own transportation and meet the group at the selected location.
